Dean,

Just a short note to say that my wife and I had dinner at the club last night, both of us having the steak. Many emails you would receive would probably be from people that are dissatisfied with a meal but I think it's only fair to also comment when compliments are in order. The steak was absolutely perfect, both of us giving the meal 10 out of 10, the service was first class and I'd like to let you know so you can offer our compliments to all concerned.

You have some great staff at the club and they deserve to be commended.

Regards,

Haydn Powell
