Dear Katherine,

On behalf of the Hope Valley Mid Week Ladies Tennis Club, I would like to thank you for your assistance in organising our Association Presentation Luncheon held on 30th June 2010. The room looked wonderful, with such a pleasant ambience combined with the excellent food and service all helped to make the luncheon a great success.

We received excellent feedback from many of the ladies attending the function complementing us on the day which ran smoothly, and your assistance was very much appreciated.

Thanking you once again,

per Denise Brett.
