Subject: RE: New numbers +table layout

Hi Katherine,

Was going to ring to thank you and your staff very much for a great night. People told me they thought the tables looked great and all were very happy with the food (as was I). Must have talked too much as I now have laryngitis! It was a special night and am glad I celebrated at the Golf club as am sure that your help made it all run smoothly, so many thanks once again,

Kind regards,

Lorna
